

# **UNIQUE INTEGRATED SYSTEMS LTD** **ENVIRONMENTAL POLICY STATEMENT**

Unique Integrated Systems Ltd is committed to meeting the needs of its customers without compromising the ability of future generations to meet their own needs. Unique Integrated Systems Ltd shall aim to minimise the adverse environmental impacts of its operations and develop an environmentally responsible culture amongst staff.

As part of our responsibility towards the environment, we are committed to improving our environmental practice in the following areas:

- 1) Using energy, water and raw materials efficiently in all areas of the business and to further reduce energy, water and raw material consumption where possible.
- 2) Implementing renewable and sustainable technologies where financially viable.
- 3) Liaising with our customers and suppliers to promote sound environmental practices in the selection, use and disposal of all materials, used in our business and services.
- 4) Continuing to comply with all relevant environmental laws and regulations including fulfilling the legal Duty of Care requirements for waste disposal.
- 5) Minimising the amount of waste that we produce through a reduction of packaging, the reuse of materials and an increase in recycling.
- 6) Increasing the biodiversity of the site.
- 7) Encouraging the development of good environmental practice by all our employees.
- 8) Maintaining our commitment to working towards ISO 14001 accreditation.
